RONALD HARRIS

ALPHA-SIGMA 1957

Brother Ron Harris was born in Norman, OK in 1938 where his father was a professor and ultimately dean of pharmacy at the University of Oklahoma. Ron's family moved to Grandview in 1946 where he graduated from high school and subsequently enrolled in the College of Engineering at The Ohio State University. He received his Bachelor's and Master's Degrees in Chemical Engineering in 1961 and immediately began a two-year tour

on active duty in the ordnance branch of the U.S. Army as a 2d Lieutenant. He received his commission through ROTC and was recognized as a distinguished military graduate.

Upon discharge, Ron was employed by Procter & Gamble in Cincinnati and during this time he earned an MBA from the University of Cincinnati. The focus of his career in business has been the food industry, his last position being Executive Vice President, Research and Development, Nabisco, Inc. During his career, Ron led teams that developed several products, including Hidden Valley Ranch Dressing and DiGiorno Pizza. Brother Harris' past civic contributions include President of the Chamber of Commerce and two-term Councilman in Richardson, TX. Ron is currently an Adjunct Professor in the Department of Food Science and Technology at OSU.

Ron was initiated into the Alpha Sigma Chapter of Kappa Sigma in the spring of 1957. Since that time, his contributions to the chapter have been legion, both as an active and alumni. Ron served as Grand Master in 1959-60 and Grand Scribe in 1958-59. He is currently a member of the House Company and a solicitor of the ongoing "Rise to the Challenge" campaign, to which he has been a generous contributor. He also served as a member of the HOF Selection Committee from its inception through 2020.

Ron, recently widowed, has two children, five grandchildren, one step-daughter, and two step-grandchildren.

PHILIP D. TURNER

ALPHA-SIGMA 1980

Brother Phil Turner attended The Ohio State University beginning in 1978. He was a 1980 initiate into the Alpha Sigma Chapter of Kappa Sigma and following service as Treasurer of the Alpha Sigma Chapter, graduated with a BS in Chemistry in 1982.

Brother Turner has had an exemplary business career, including being the Co-Founder of IntegralLink in 1997, which was acquired by The Cobalt Group in 2000. Phil continued working at The Cobalt Group until it was acquired by

ADP Dealer Services in 2010. Currently, Brother Turner is a Director of Product Security for CDK Global. Overall, Phil has worked in the software technology space for 40 years.

Brother Turner has been a shining example of service to the Alpha Sigma Chapter since the mid-1980s, serving as Alumnus Advisor from 1985-1988 before joining the Alpha Sigma House Company in 1988. He has been a member of the House Company for over 30 years, serving as Treasurer from 2002-2015 and has been President of the House Company since 2015.

Brother Turner believes Alpha Sigma provided a group of close, trusted friends not only through his college years, but for life. Alpha Sigma provided him the opportunity to build leadership skills as an officer which have served him well.

Brother Turner's advice is to "remember that we're Kappa Sigma for life, not just the few years we're together at university."
